His Honor and that he thought the men were three months pay was not an exorbitant uncount.

Destruction of Piratical Villages. On the let instant, H. M. gun-boute Algerine, cestitution from some villages in the neighbourthem, and the whole junk and cargo were valued.

The gan-beats found on arrival that the inch and been completely destroyed by the inhabitanta of the villages which were pointed out. and found to be both, large and populous; ap-Mention was unde in the first place to the mainlarin of the district, who however, said he was utterly powerless to protect British pronerty or in fact do anything with these piratical villages. These phices were next visited an in attempt was made to open negotiations with proved that these were undoubtedly the enilty sarties by portions of the junk and property being found in various houses, and as the peothe seemed determined to refuse all settlement of the claims against them, parties were landed for the purpose of securing the principal the villagers opened fire on the landing party with gingalls and spears, without however doing, any injury, and they were quickly triven lack, and their haunts levelled with the ground, as was also done in another instance, where the head men had effected their escape. The others then seemed willing to come to terms, and agreed to make up smoon themselves the required onm. The Algorine returned on the 17th just, with a portion of this, while he Bouncer and Janus remain to collect, the reaninder, keeping the head men prisoners until

A number of the shareholders of the Union Dock Company went over in the Little Orphon, on he loth just, at the invitation of the Company to inspect the new works at Kowloon that are it present the bone of contention and about which so much has been both written and said within the past two months. The first feature hat attracts attention in handing at the dock is boulmost entire suspension of work, on an anterdressed in their official rubes of purple satin of the party signing the bond to give proper was not the law of any particular place, but, so to gence, was found guilty of embezzlement, but the dock, two courses of the granite sides have been laid, and in places a few stones of The Attorney-General first called attention council then went on to the consideration of Thomas Banbury, the hermit of the hills, was the third course have been placed. The par-At the corrange to the Yamen was the cus to the pleadings and admission contained in the questions what had been the authority of arraigned on a charge of indecent assault, and heads have been commenced on both sides, and tomary Chinese instrumental Rand; who, as the answer and prayer of the impagnants, where masters—citing the earliest cauca where he had pleaded guilty, sentence was also deferred in appear to be in a forward condition. A greater by the Last Holders has quite precladed His the Minister's chair entered the enclosure; in they set up as their line of defence that the authority over the ship only, and coming down this instance. The court was then adiomrec portion of the inner coffer data has been re-Mr. Gook asked if he understood rightly that Excellency from carrying out his abject, which struck up a national metal; the law of moved, and at this stage there is a dead balt. ere then thrown open; the adults of three guns not fairly chargeable upon the cargo of the bended that the master was agent for the the Regutta occupying the two following days. To an unprofessional eye the dock appears to be so near completion that had the time spent in this squabbling been devoted to carrying the France) Chinese Troops, who to the French word and that without any reference whatever to had the captain done immediately on his arof command, presented arms.

The room in which the ceremony of ratifying judgment against the cargo as well as against the Treaty was performed, is a long narrow the ship and freight. The execution of the had applied to bloyds surveyor for a survey of necessary witnesses against them might be proapartment about sixteen feet by ten, down bond in point of fact was not admitted by Ma- his ship and he had written immediately to his cured, were brought up on remand on the 27nd heads to be made ready.
